

GS 0606 B WO US

REMARKS

Claims 2-4 and 19 have been canceled without prejudice or disclaimer. Each of the remaining claims has been amended to overcome indefiniteness and to place it in allowable form. In that regard, claim 1 has been amended to incorporate the subject matter of each of claims 1-4, and because claim 4 was found by the examiner to be directed to allowable subject matter amended claim 1 is believed now to be in allowable form.

Additionally, because each of the remaining dependent claims, some of which had been withdrawn from consideration as directed to nonelected species, depends from claim 1, either directly or indirectly, all the remaining claims are believed now to be in allowable form.

Based upon the foregoing amendments and remarks, the claims as they now stand in the application are believed clearly to be in allowable form. Consequently, reconsideration and reexamination of the application is respectfully requested with a view toward the issuance of an early Notice of Allowance.

Should the examiner have any question after considering this Amendment, he is cordially invited to telephone the undersigned attorney so that any such question can be quickly resolved in order that the present application can proceed toward allowance.

Respectfully submitted,

Alfred J. Mangels
